# AAU Entries To Meet Tonight

Famous Wilma Rudolph and more than 360 U.S. stars will face entries from Japan and Mexico in the 1962 National AAU women's track and field championships tonight in the Coliseum. Finals start at 7:30 p.m. tonight.

Eight defending individual champions, including Miss Rudolph are back to seek additional honors in the women's division. The big meet has 30 events as the girls' division also will run off, along with six exhibitions, including an eight-man relay and a men's one mile run.

Records are endangered in virtually every event and some already have been broken unofficially over the regular season. Leah Bennett (Hawaii) has an 880 clocking of 2:16.9, better than the AAU mark of 2:18.3.

### BO

Bo Belinsky, L.A. Angel rookie pitcher — "I'm in California now and nobody has any respect here for a guy who goes in hock small."

### SUDDEN STOPS

Avoid unnecessary sudden stops. You may stop in time, but the fellow behind can never react as fast as the person ahead of him and a rear-end collision can result.

# Yankees Receive Top Honors After Game with White Sox

The Seven-Up Yankees spotted the Redondo Recreation Bowl White Sox two runs in the first inning in a game that meant top honors for the Yankees, then came battling back to win the contest.

Danny Stern, Sox pitcher, blasted a home run over the fence with a man on. From then on Deannie Gibson shut out the White Sox. The Yankees came battling back in the bottom of the first

when singles by Donnie Shockley, Deanie Gibson and Timmie Netherly accounted for two runs, with Nethly getting the RBI's.

In the fourth inning Mike Benningfield singled, went to second on a wild pitch, scored on another single by Shockley, who then came home on a double by Gibson. This win gave the Yankees and eight and two record for the second half. Coupled with their eight and three

record for the first half, this made them the undisputed champs with no playoff required.

**PROUD MANAGER** Manager Stu Marshall and Coach Lowell Robillard said they are proud of their team—the same team which came in last year. Last year, no members had major Little League experience because the team was newly formed.

# Bowling Club for 50 Plus Sponsors Open House Today

The local chapter of the National Fifty and Over Bowling Club is holding an open house today at 1 p.m. at the Beach Bowl, 2420 Pacific Coast Highway, for prospective members of the organization.

The organization, which was formed in June of 1962, adopted the slogan "Stay Young, Stay Happy, Stay Healthy." It began with 20 members and now has 48.

From the initial organization has sprung a club in Long Beach and one in Redondo Beach which is currently in the embryonic stage.

At today's event, slated to encourage membership for the Redondo chapter, door prizes, trophies, reduced bowling prices, refreshments and individual bowling instructions will be offered.

"We would like to have these people over 50 who are the least bit interested or who have an urge to roll a bowling ball just to see how many pins they can knock down come to our open house," said a member of the organization.

According to the member,

"After a person reaches 50, his children are usually married or on their own; our aim is to give these people something to do outside their homes.

"It is not easy for people in this age bracket to take up a sport when they know they must compete with youth. With this in mind, the National Fifty and Over Bowling Club was initiated."
